Interactive Tax Assistant (ITA)

Available on irs.gov

The ITA tool is a tax law resource that takes you through a series of questions and provides you with responses to tax law questions.

- Simply answer the questions and click the "Continue Button" to progress to the next question screen.
- You may need to collect information before the interview such as income amounts, taxes owed and credits you are claiming.
- The tool includes a crossover feature that allows you to move from certain tax topics to another without needing to enter the same answers multiple times. The "Review/Change Button" allows you to adjust responses to previously asked questions.
- When you reach the response screen, you have the option to print the entire interview and the final response.

A link to ITA is also available on the TaxWise solution center.
